I do not own any of the characters or names of Halloween DON'T SUE ME PLZ

This is my version of Halloween 9. In this we are back in haddinfield with Tommy Doyle and Kara Strode along with the thorn cult and a new cast member to bring the plot full circle. This script does not exclude any of the Halloween movies (except for 3 no Michael). This starts off after Halloween 8 and could involve a few spoilers so I figured id warn you. So here it is Halloween 9

 BY: ERIC BAKER..

>
 We fade in much like in Halloween 2 the pumpkin is being carve and you get flashes of the gleaming knife. The theme music plays as the cast is introduced:

>
 Tommy Doyleâ€|â€|â€|.Paul Rudd

>
 Jake Loomisâ€|â€|â€|â€|Eric Baker

>
 Kara Strodeâ€|â€|â€|â€|.Mariene Hanigan

>
 John Tateâ€|â€|â€|â€|Josh Hartnett

>
 We then see all of the supporting characters names and the people who played them. The scene opens as we seemingly walk down the street for the pov of a character the Halloween theme is playing and you can even hear a faint mr. Sandman in the background.. We are still seeing through the eyes of some character as he walks of the side walk and to a house in the foreground we look in the window and see MOLLY John Tate's girlfriend from H20. She is on the phone with someone named Kathy.

>
Molly: I can't Kathy I have things to do.

>
Molly acts as if she is listening you cannot hear the other person.

>
Molly: Sorry I can't do itâ€|. Yeah im still hear im listeningâ€|â€|NO! I am going to stay home and watch movies I don't

>She looks down the stairs and sees her little terrier pepper
standing on the other side of the screen door trying to get in he is
hitting his head on the door.. She realizes that that must have been
the sound . She walks down the stairs and opens the door for Pepper.
But he won't come in.

>Molly: Come on pepper come on boyâ€¦| I'll get you something to
eat.

>Just then pepper darts of the porch in whimpers.

>Molly: Guess I need a new dog food..

>She is relived she shuts the door and turns around and WAM!! She
bumps in to The SHAPE!! She has time to muffle a cry as the knife is
slammed into her chest.. We again see through the eyes of the

Molly's eyes go wide as she tries to fight she then slumps
